^ - Higher seeded team will be home team in each game (i.e. A1 plays B2, A1 is home team). If both teams have same seed (i.e. A1 vs. B1), the team with the better tournament record will be home team (example A1 is 3-0, B1 is 2-1, A1 would be home).

If teams have same record, coin flip will determine home and away.

## Championship Tournament

Higher seeded team will be home team in each game (i.e. A1 plays B2, A1 is home team). If both teams have same seed (i.e. A1 vs. B1), the team with the better tournament record will be home team. If teams have same record, coin flip will determine home team. Seeding takes higher priority than record.

## Tournament Rules and Guidelines

1. 10-Man Modified Playing Rules, as per ASA Participant Manual.
2. **10-Man Pitching Style will be strictly enforced.**  
**NO SLINGING!**
3. Batters may not fake a bunt and swing away. A player who squares to bunt must bunt or take the pitch. Any player who squares and then swings away is automatically out and ejected from the game.
4. No Extra Hitters. Teams are permitted to use the DP and courtesy runner for the catcher and/or pitcher in accordance with ASA rules.
5. 12-run mercy rule after four innings (3 1/2 innings if losing team is visiting team); 10-run mercy rule after five innings (4½ innings if losing team is visiting team) -- this is ASA modified rule.
6. Should three teams finish in a tie (1-1), the following tiebreaker will be used:
  - a) Run Differential capped at 10 runs plus or minus, due to ASA 10-run rule. [A team that wins 24-10 would be credited as plus-10 and the losing team would be minus-10]
  - b) If two teams are tied in Run Differential, their head-to-head result will break that tie. If all three are tied in Run Differential, proceed to Fewest Runs Allowed. If two teams are tied, their head-to-head result will break the tie. If the three teams are still tied, use Total Runs Scored.
7. Vulgar/abusive/threatening language or behavior will not be tolerated. Players/coaches/team personnel who engage in such behavior are subject to ejection from the tournament and facility.
8. Please have your lineup ready to exchange with the other team 10 minutes before game time.
9. Please place all trash in the garbage cans. Please leave your area better than you found it.
10. We will keep the tournament moving along. Please be prepared to start before the scheduled start time of your game if necessary.
11. Have fun and enjoy the tournament!

### INCLEMENT WEATHER POLICY

- A. The goal of the tournament is to complete it in one day.
- B. If weather causes us to fall way behind, we will utilize the following steps: 1. 5-inning games, 2. 1-1 count
- C. If the losing team in a pool play game has had five at-bats, the game is official and will not be resumed. Tournament games will be played to completion, if possible.
- D. Games may be moved to a different field at complex if conditions warrant.
